

SILVER IT FEST 2015

This is the ninth year that we are celebrating Silver IT Fest (previously called the Silver Infocomm Day). The theme for this year is “Colour your Life with IT” which consisted of a series of seminars, IT workshops, and a carnival-cum-exhibition for seniors to experience emerging technologies. RSVP is pleased to continue to be a training partner of IDA in this annual event benefiting all seniors of the nation. New courses were introduced this year - “Introduction to Mac”, “Introduction to Lenovo Tablet” and “Mobile Apps of Government Services.” [\(Read More\)](#)
