

● VOLUNTEER APPRECIATION NITE 2015 - NOSTALGIA NITE

This year, we went back to the old days so that many volunteers could reminisce the past and celebrate with their own touch of vintage style. The multi-purpose hall of the Grassroots Club was spruced up with colourful balloon sculptures done by our Balloon Activity Circle. More than 280 volunteers turned up for this special occasion. The night started off with a welcome speech by RSVP President Koh Juay Meng who thanked all members for their great contributions in particular for the success of the National Senior Volunteer Month 2015.

● MESSAGE FROM THE PRESIDENT

I am very happy to note that we had a strong turnout for the AGM held on 28 November. More than 100 members packed into RSVP's multi-purpose hall although this was not an election year and we had only recently brought our NSVM, which kept everybody busy, to a close. For the benefit of members who could not attend the AGM let me highlight the decisions made that will strengthen RSVP even more in the years ahead. Two important constitutional changes were made. The first amendment gives Affiliate Membership to interested non-Singaporeans...

● GENERATION GAP

Singapore's population grew to 5.54 million (The Straits Times, 30 September 2015) and the aim is to grow its population to 6.9 million by the year 2030 (Population in Brief 2015). With increasing life expectancy and low birth rates, we face the prospect of a shrinking and ageing citizen population and...

● SILVER IT CARE DONATES REFURBISHED COMPUTERS TO BEYOND SOCIAL SERVICES

On 8 December 2015 RSVP Singapore jumpstarted the season of giving by donating seven refurbished desktop computers to families from Beyond Social Services. RSVP President Koh Juay Meng was on site at Beyond Social Services' Jalan Klinik Centre to present the computers to seven families who received one desktop computer set each. These computers will be used by the children for their homework and projects. In total, 13 computers have been donated so far to Beyond Social Services this year and the goal is to have more computers refurbished so that more needy families can benefit from this project.
