20 YEARS OF SENIOR VOLUNTEERISM
SMART SERVING SENIORS FOR A SMART NATION

We are pleased to reveal the winning design of our 20th Anniversary Logo Design Competition! Congratulations to Ms Neela Barve for submitting the winning entry. The rationale of the logo is as follows:

"The smiling seniors are looking back at 20 years of history and find that RSVP has built a thriving community of volunteers in Singapore, contributing to the smart nation."

STAFF MOVEMENT

We would like to thank Dr Chey Chor Khoon and Mr Ong Ming Ze for their contributions to Volunteer Learning and Programmes respectively.

Both of them have been wonderful additions to our organisation, and have displayed qualities of hard work, responsibility and good-naturedness. We wish them all the best in their future endeavours.

SILVER IT FEST PLUS (SITFP)

May - June 2018

In collaboration with the Infocomm Media Development Authority (IMDA) and Institute of Technical Education (ITE), more than 140 IT Classes were held over a three-day period between 22 June 2018 and 24 June 2018 at ITE College Central. Through SITFP, seniors and mature adults aged 40 years and above were offered the opportunity to pick up new IT skills and knowledge to enhance their lives.

The first round of registrations for Silver IT Fest started in May and continued till mid June. Over 90 RSVP volunteers and staff were rostered to be deployed everyday to assist in the registration of participants. Our online registration system, VOOB, made it easier for our volunteers and staff to view class vacancies in real-time. This made enquiries as well as registration a lot quicker and more efficient!

Through the efforts of volunteers and staff during our in-house registrations and various roadshows, more than 2,000 spots were taken up by eager seniors who wanted to learn new IT skills such as Basic Digital Making (Micro:bit), Digital Video Management and Online Storage & Sharing (Google Drive).

We would like to thank our SITFP volunteers, trainers, assistant trainers and staff who worked tirelessly for months to make SITFP such a success. See you in the next SITFP!

MOTHER'S DAY COOK-OFF COMPETITION

13 May 2018

Our volunteers, Ms Elaine Teng and Mdm Nancy Quek, took part in the Chef in Box Heritage Series Mother's Recipes Cooking Competition organised by ready meals manufacturer JR Group.

Senior Minister of State for Health and Environment and Water Resources, Dr Amy Khor, who was also a contributor to our RSVP Cookbook: The Gift of Cooking with Love, graced the event held at JCube on that Sunday afternoon.

Ms Teng came in first place with her 'Shepherd's Pie with Ayam Masak Merah' dish and Mdm Quek came in second place with her 'Mum's Chicken Roll' dish. Both dishes would be converted to ready-to-eat bento meal boxes for sale at food vending machines across the island.

We are still selling the cookbook! Each book includes over 60 recipes contributed by our senior volunteers and VIPs. You can purchase the book at our Level 8 reception. The cookbook is sold at \$20 each and two copies for \$30.

We brought 17 senior volunteers on a learning journey to SPCA where they had the chance to learn what SPCA does and about the animal welfare cause, as well as an interaction session with the animals in the adoption shelter. Some of the volunteers were even seen looking at the volunteer sign-up forms as well as making donations to the SPCA!
